DEDICATION . . .

During the spring of each year, Cony buzzes with activity as preparations are made for the annual Chizzle Whizzle Fair. Finally the big night comes, and all the performers are showered with praise. Only a few escape recognition for their hard work. Such a person is Mr. Ayotte who spends many long and tiresome hours training the endmen and rehearsing with the olio participants. Mr. Ayotte, who is the leader of the great Home Room E, heads the language department, teaches French, and advises the French Club. Because he has given so much of his time and energy for the betterment of Cony, it is with pleasure that we dedicate the 1962 *Coniad* to Mr. Richard Ayotte.

FOREWORD

For years we have been seeing such various types of movies as comedies, dramas, westerns, and musicals. During our years at Cony we have still been in contact with these films, which bring back many memories and which have added to our knowledge.

Therefore we, the Coniad Staff of 1962, have chosen *Movies* as an appropriate theme for our yearbook.

In Memory of . . .

In the fall of 1960, we were all very sad to hear of the death of Laurio Levesque. Laurio enjoyed science and was planning to become an engineer. He played first base for Stone and Cooper in the summer and made model airplanes. A very dependable boy, he never missed church on Sunday. Surely Laurio with his smiling personality will always stand out in the memory of every member of our senior class.

Mr. Croxford Speaks . . .

Soon you become an alumnus of Cony High School. There will be those who will say, "We hate to see you leave." Actually we do not mean this. We are happy and proud to see you leave, for by so doing you have successfully made another hurdle along life's pathway and are preparing for the future hurdles to come. These hurdles will be there before you, and you must either surmount them or fall — for others will be pressing behind.

Make these jumps into the future cleanly and courageously. Do not step on those less fortunate than you. At the same time do not allow them to hold you back. Your happiness and success and the happiness of your loved ones depend upon the techniques and philosophies with which you make your leaps through life.

The faculty of Cony High School joins me in wishing you every success. May God be with you in all your undertakings.

We Remember . . .

We, the Class of 1962, would like to pay a special tribute to Miss Elinor Newman, who served as the Department Head of Mathematics for the past thirty and a half years. Since her retirement in 1961 she has been greatly missed throughout the school. Because the student body appreciates her patience, her understanding, and her helpfulness while she was here, the *Coniad* Staff of 1962 pays this small tribute to her.

Come September . . .

Cony will again open her doors to the underclassmen. These students have managed to hold their own against the mighty Seniors for another year, and they seem to have a promising future. Here at Cony and after they leave, success is sure to crown their efforts.

SPORTS

Football

The Cony varsity squad, under the fine coaching of Mr. Whytock and his assistants, Mr. Pruett and Mr. Sturgeon, had a successful season against rough competition. Our boys proved that they were a Class A ball club. The fine rallies throughout the year helped to build up the football spirit. Cony beat rival Gardiner for the fourth consecutive year, and the boot is still ours. Congratulations to our team!

The football team will be regretfully losing the following senior boys: Carleton Barter, Dick Parent, Bob Vachon, Vin Dostie, Ken Pruett, Bob Greene (Co-Captain), George Hill, Bob Degon, Pat Perrino, Dave Williamson, Pete Cote (Co-Captain), Jeff Sanborn, Ray Piper, John Esser, Denny Gordon, Cary Lasselle, Hector Arbour, and Gary Barrett.

GIRLS' FIELD HOCKEY

The "Redlegs" started practicing the first day of school and this early start paid off. The Varsity had a very successful season this year. Their record was 5 wins and 2 losses. The Cony team scored a total of 26 goals while opposing teams scored only 5 goals.

The best game of the season was the last contest at Kents Hill. The girls played exceptionally well and won a decisive 3 to 0 victory. Everyone was happy with this win, because it was the first time Kents Hill had been defeated in two years.

Senior members of the Varsity team are Jean Dole, Sue Fairfield, Pam Hennessey, Janice Holt, Janet Jolicoeur, Karen Larsen, Nella McFall, and Captain Beth Welch.

Cony did not participate in All Star Field Hockey this year because the game was played the day of the Cony-Gardiner football contest.

The baby "Redlegs" also had an impressive season. Their record was 5 wins and 1 loss.

BOYS VARSITY BASKETBALL

The Cony Varsity, due to lack of experience, had an unsuccessful season as far as wins and losses are concerned. They lost their first sixteen games but beat Gardiner (with much satisfaction) and Farmington their last two games.

Mr. Sturgeon, having an inexperienced squad, really taught the boys how to play basketball. There won't be any concern over Cony's not having a winning season from now on.

Seniors on the team include Roger Hall, Tom Foster, Carleton Barter, and Paul Donahue. The juniors and sophomores who will help Cony go to the TOURNAMENTS next year are Gary Burns, Stevie Learned, Bobby Milligan, Parker Beverage, Tom Rand, Don Pruett, and Ronnie Nickerson.

GIRLS VARSITY BASKETBALL

Miss Lacombe, Coach

The factor that contributed the most to this year's outstanding season was experience. The team had five game starting lettermen, Nella McFall, Marjorie Black, Carol Coakley, Jean Dole, and Pam Hennessey. Also from last year's varsity were Betty Hunt, Kathy Homer, and Holly Mudge. Up from junior varsity were Lorna Merrill, Mary Bennett, Marie McFall, and Judy Baker. The defense was led by the blocking of Nella McFall, the interceptions of Marjorie Black and Judy Baker and the aggressiveness of Carol Coakley. On offense, both Pam Hennessey and Betty Hunt had an average of over 13 points per game. Jean Dole got many rebounds and set up many scoring plays. Efficient managers were Beth Welch and Connie Brown.

H. Mudge

M. Black

The varsity had a record of seven wins against only one loss. Perhaps the greatest win of the season was against Winthrop. In sixteen contests, Winthrop lost only one game and that was to the Cony team. In the rematch at Winthrop, Cony lost by two points in a hard fought game. Winthrop spoiled what would have been a perfect season for us, but we also spoiled their record.

GIRLS J. V. BASKETBALL

Not to be outdone by the varsity, the junior varsity rolled up an undefeated season. Girls who returned from last year's team included Co-captain Jane Leighton, Sandra Bickford, Nancy Overlock, and Connie Crocker. Many new comers to the team were instrumental in the victories; they included Co-captain Jane Evers, Diana Nichols, Mary Marsh, Barbara Malcolm, Marjorie Harrington, Martha Degon, Paula Carter, and Eileen Brennan. Kathy Lawrence and Pam Harris were dependable managers.

The girls had many hard fought, close games. The game with Kents Hill went into overtime and then into a "sudden death" before Cony emerged the winner. The Winslow game also went into overtime.

BASEBALL

Our year started with a sweet victory when we defeated Gardiner 6-0 on Williams Field. We have a twelve game schedule which eventually will be played, although at the time the *Coniad* goes to press but one game has been played. Wet fields and rain have plagued us as they have oftentimes in the past.

Prospects appear good with four lettermen, a good defensive team, and hitting potential excellent. Coach Whytock prophesies a successful season.

FRESHMAN TEAM

SPRING SPORTS

Activities 1961-1962

Many stars had parts in Cony activities this past year. For a gala premiere, the school produced and directed the annual Freshman Reception, in which the traditional casting of the sophomores as the leading players was surprisingly changed to allow the freshmen to shine in the major roles. This event proved to be quite a vehicle for the display of freshmen talent, for the sophomores just were not in the picture.

As the year progressed, *All Hands On* (the Cony) *Deck* created other outstanding productions such as the Senior Play; the participation of a Cony student in the Bellamy Flag Award Ceremony in Topeka, Kansas; Chizzle Wizzle, *The Best Show Yet;* Junior Prom; major club activities; and assemblies.

Behind the scenes, Cony clubs, the *Rameses*, and the *Cony Cue* played their part in keeping Cony High a superior school. In fact, everyone of the following activities deserved "rave notices."

"Thank Heaven for Little Girls"

Manhattan

CHIZZLE WIZZLE

The 71st Chizzle Wizzle opened Tuesday, March 20, with a BANG! The red-headed endman stole the show when he gave "Cottontail" Whitney that haircut! The chorus gave its usual great performance, and the gala event ended with the hilarious endmen and their mammies in the Endmen Specialty.

The olios were as spectacular as always with their beautiful scenery and marvelous talent. They played to a full house each night and wowed everyone present. "Chinatown" and "Manhattan Magic" were particularly colorful numbers, while "The Commuters" walked off with all the laughs.

"Night Train"

Magic

There were three one-act plays this year instead of the customary one, thus allowing more students to participate. In "Hold Onto Your Hat," Susie Brice stole the show with her huge lolly-pop and swishing skirt. "Impromptu" showed the crazy preparations that precede the production of a play. The cast of "Rip Van Winkle" is to be congratulated on winning Second Place in the Regional One-Act Play Contest at Lewiston which certainly proves we have talent at Cony.

The gala Grand Ball with the theme of Manhattan Magic ended the hectic week here at Cony. A lovely spring setting showed hours of student labor. The sound of Gorden Howe's Orchestra filled the gym, until at 12:00 P.M.; the final strains of music ended the 1962 Chizzle Wizzle.

"Gee! Officer Krupke!"

"Chinatown"

"Manhattan"

"Forty-Second Street"

"What happened to the hair on the head of the man I love?"

"Harvest Moon"

"Lulu's back in town!"

STUDENT COUNCIL

Outstanding work was done by our fine Student Council this year. Each year two girls and two boys are chosen by their representative class, except for the freshmen. The freshmen are appointed by upper class members.

The customary duties were well carried out such as selecting nominees for Chizzle Wizzle Fair Association; approving athletic awards, and managers of athletic teams; approving Cue Rameses staff; setting up or changing the awards system; approving new clubs; and attending state and regional conventions.

New clubs approved this year were the Phy Pi Math Club, the Cony Photo Club, and the Patriots' Club.

Peter Cote, president of Student Council, attended the Bellamy Award Ceremonies with Mr. Croxford in Topeka, Kansas. His excellent speech was written into the Congressional Record upon the motion by Margaret Chase Smith, United States Senator.

I wish my mother "was" here!

Where are my glasses? I'll find them yet!

And, now, we will announce . . .

Hail to the royalty of '65!

ORCHESTRA

THE SOUND OF MUSIC

Our musical organizations have upheld their fine reputation in all their activities this year.

Band and orchestra under the direction of Mr. Charles Danforth have had many opportunities to give their enjoyable performances. The brisk marching and music for the football games added much to the football scene. Band members also participated in All State; Kennebec Valley Band, Orchestra, and Glee Club; and school rallies. An exchange concert was played at Union High School just before February vacation.

The orchestra also has had a complete schedule, playing for Senior Play; Chizzle Wizzle; Kennebec Valley Band, Orchestra, and Glee Club; and All State.

Under the direction of Miss Elizabeth Canavan, the Glee Club has had a very good year. The program included singing for the Christmas assembly, Chizzle Wizzle, and All State.

At the time the *Coniad* went to press, plans were being made for the orchestra and Glee Club to take part in an exchange concert with Somerset, Massachusetts.

Cony Clubs

The clubs at Cony have been very active this year. Three new clubs were started: Math Club, Patriots' Club, and Photo Club. We wish each group success in the future.

Two of our clubs, the Tri-Hi-Y and the Varsity Club, have competed for the Community Club awards. The French Club held its annual dance on December 15; it was a great success. Both G.P.E. and Varsity Club donated nearly $200.00 for the whirlpool bath.

Cony certainly should be proud of her clubs.

NATIONAL HONOR SOCIETY

The Cony faculty selects 15 percent of the seniors from the upper quarter of their class and a few high ranking juniors to join the National Honor Society. The honor is awarded on the basis of character, scholarship, leadership, and service.

Seniors who were initiated their junior year into the society preside over one of the most meaningful and important assemblies of the year—the tapping and initiation ceremony. They sit on the stage near a table, on which are the yellow roses of the society and the four candles in the society colors: red, yellow, purple and white. A short explanation of the signficance of each candle is given by the seniors. Each new member is tapped three times on his shoulder and escorted to the stage as soft music is played. Miss McAllister leads the members in the pledge to end the impressive solemn initiation into the National Honor Society.

This year the assembly was held on Friday, May 4. The photograph above is of the senior members who were tapped their junior year.

OUR SENIOR PLAY

George Washington Slept Here

Many householders have boasted that George Washington slept at their homes. Now we can boast that he has slept on our stage!

On November 21 after a postponement because of a heavy snowstorm the 20th, the originally scheduled date, the seniors successfully staged *George Washington Slept Here.*

Joe O'Donnell, the enthusiastic new owner of property; his wife Janice Holt, not so enthusiastic; Jerry Epstein, fussy "Uncle Stanley;" Frankie Gidney, the little monster; and all the rest of the fine cast had the audience with them from the opening curtain.

Miss Cruise, who coached the play, had every right to be proud of the entire cast.

"Wait for me! I'm coming, too!"

"We got caught in a storm!"

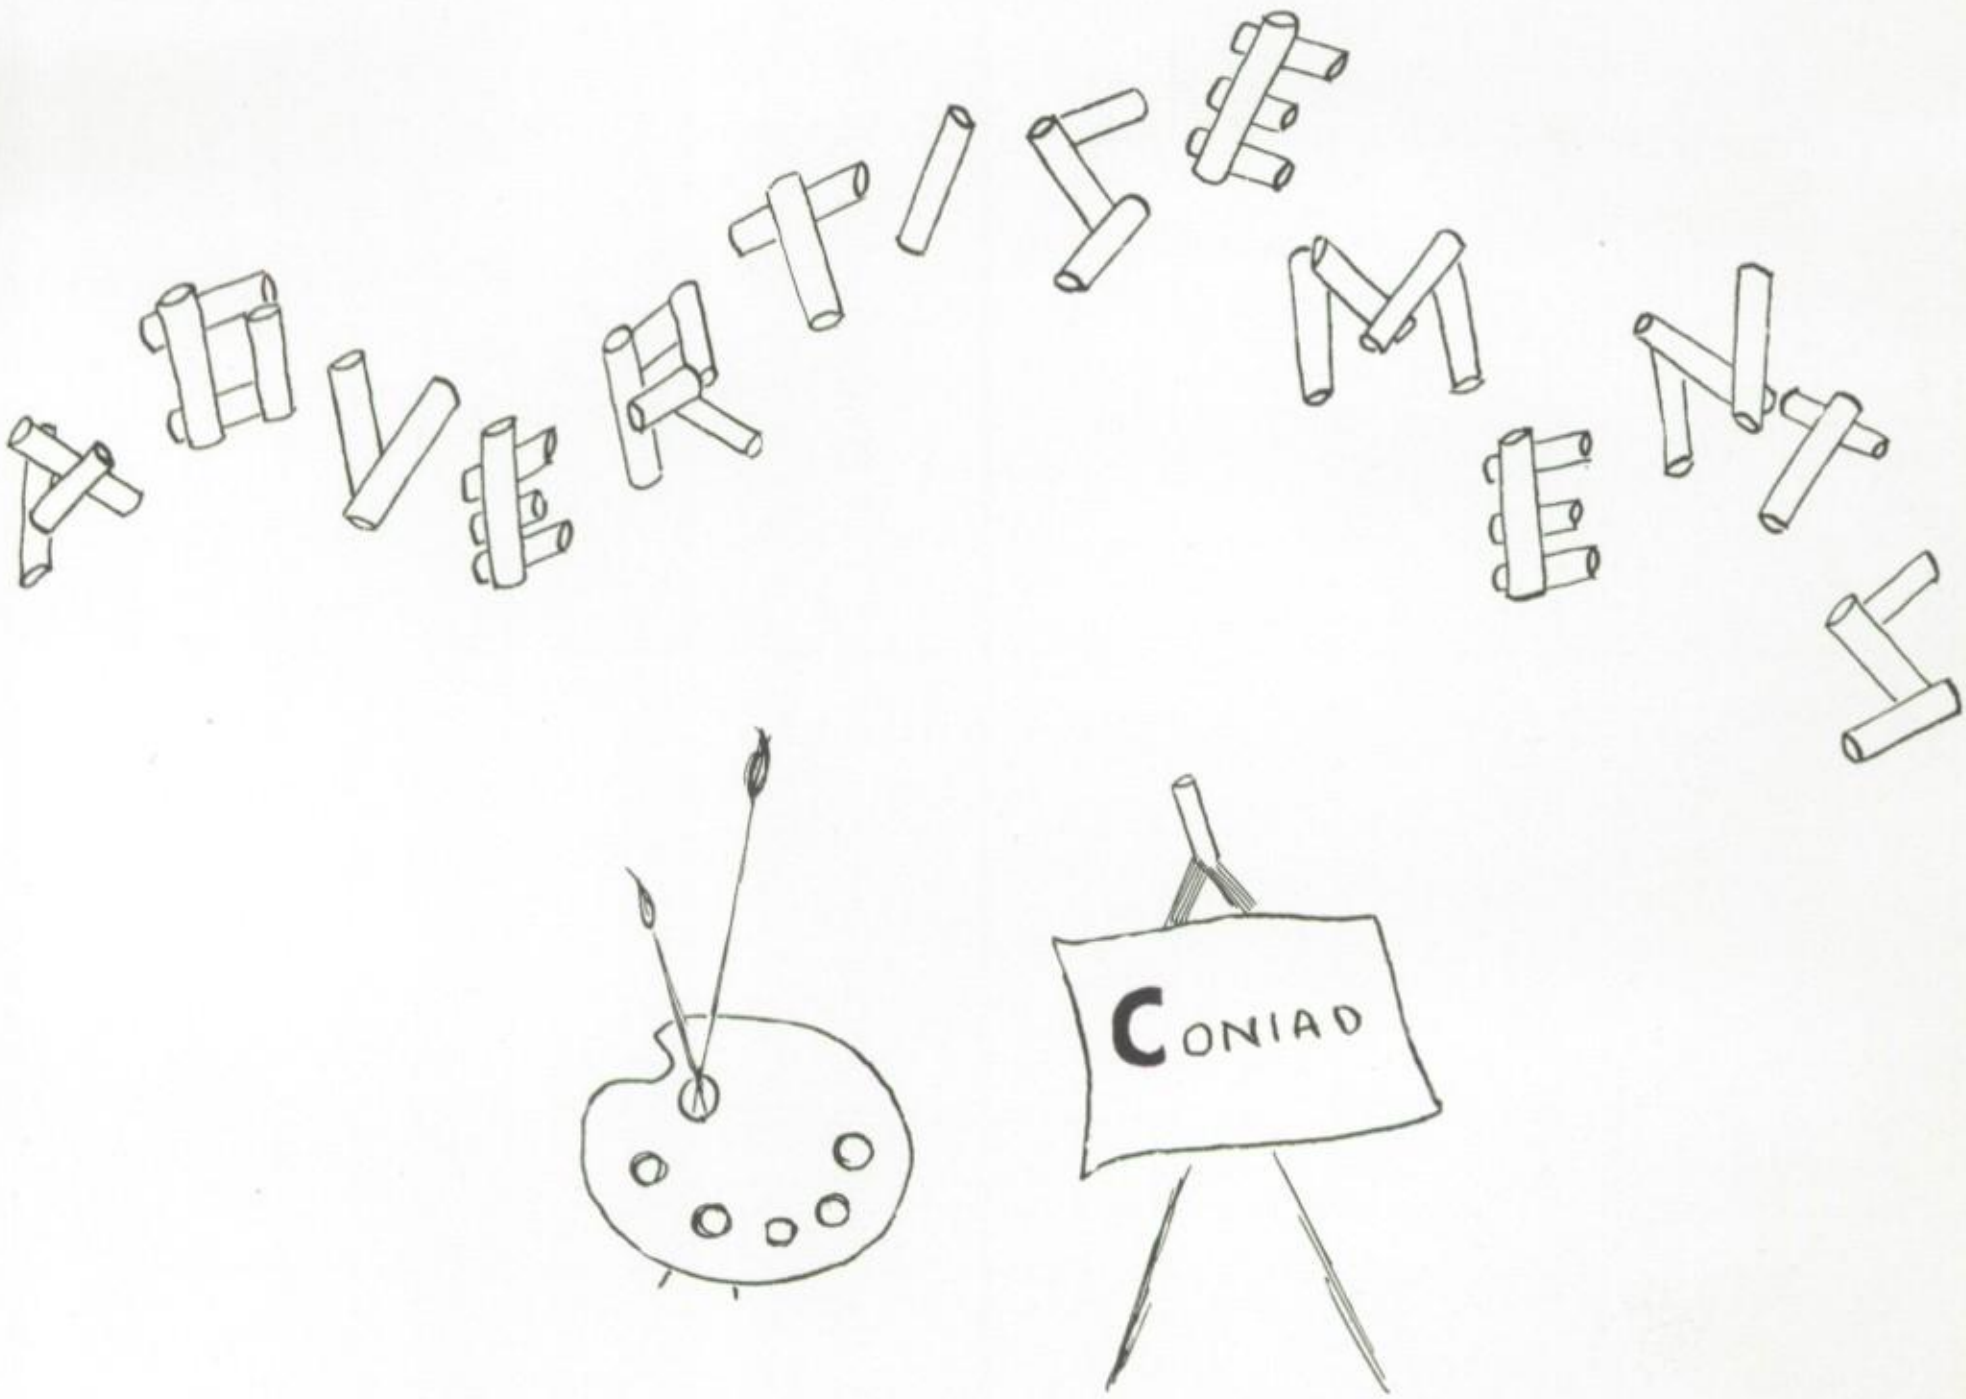
READERS' DIGEST HONOR

Cony High School was honored this year by being chosen to review articles in the March issue of the *Readers' Digest*. On the recommendations of their English teachers, ten students selected the top ten articles to be published in that issue of the magazine.

A boy and girl from each of the four classes, plus two juniors, worked continuously in the library from eight in the morning to four in the afternoon. Miss McAllister, head of the English Department, worked with the students and also a representative from the *Readers' Digest*. These eight hours were some of the most tedious ever spent by the students. Having read several articles, they voted for the top ten articles to be published, and then each student wrote a "blurb" (preview) which consisted of not more than thirty words.

These students did a very excellent and efficient job for which they deserve a great deal of praise. Also, appearing in the magazine was an india-ink picture of Cony High School drawn by Nancy Johnson.

The student body and faculty of Cony High are certainly proud of the outstanding job which these representatives did for our school.



A NOTE OF THANKS

We, the staff of the 1962 Coniad, have many people to thank: Miss Giddings and Miss Vickery for giving us unlimited help as advisors; Mr. Linwood Card of the Portland Lithograph Company for being patient with us, even though we did make a lot of mistakes; Mr. James Clark, our photographer, for taking pictures even though he did not have time; Brandon Gauthier for giving us several pictures that he took; all the people of Cony High School who have helped us in the publication; last, but by no means least, our advertisers who have helped finance this book. Please patronize them. The 1962 Coniad would not be so good as it is without having received the help of these people. We once again express our deepest thanks.

When you graduate it's wonderful to have a telephone job waiting for you. You'll love the friendly new people you meet. And you'll like the excellent salary, the regular increases, the opportunities for advancement and the many additional benefits that make working for the Telephone Company so attractive to so many young people.

Telephone jobs are important ones. We have our own training program which you can enter without any previous job experience.

Why not come and see our employment interviewer soon . . . before you graduate. Ask the Guidance Counselor at your school to tell you when and where to apply.
